

# Sideline Interactive

We had a hard time fitting all of the benefits of utilizing a Sideline Interactive Scoring Table on one page, but here is the one pager to share with anyone in your school or organization who is a part of the decision making process. For images of our tables, check us out at [www.sidelineinteractive.com](http://www.sidelineinteractive.com)

At the bottom of this email, there is a link to download this email as a pdf to share with anyone who needs the information. Or, if it is easier, feel free to share with anyone who is a part of your decision making process.

- With very little extra work on your part, raise \$10,000 or more in sponsorship revenue per year, year after year. Several of our customers have raised enough money in 6 months to pay for their scoring table, then earned turnkey sponsorship revenue year after year!
- A Sideline Interactive Scoring Table is multi-functional in addition to promoting your athletes and energizing the crowds at indoor sports. Use it for college signing days, graduations, class meetings, awards banquets, and anything else that takes place in your gym.
- Sponsors will seek YOU out to advertise once you have some advertisement up and running at your events.
- Proprietary software is designed to provide easy access to from customer suggestions and constantly updated.
- Coaches can use the table for film sessions from Hudl, Synergy, YouTube, your recording equipment. Any online video or media that you use can be displayed on the table.
- We offer no cost, no interest, 2 school year financing to fit in with your budget.
- Our proprietary GamePresenter Software is designed to make it easy to instantly trigger: player's roster picture and any crowd graphic such as 3 pointers, time-out, the flag and many others. You can switch team settings quickly, display instant messages on the board, control music, and display a digital scoreboard--**all with just one or two clicks!** GamePresenter Software beats off the shelf apps HANDS DOWN!
- The software is **SUPER SIMPLE** to use and is designed to be operated by volunteers and high school students. You can train a new worker to run the board in ten minutes!
- **As a Sideline Interactive Customer, you have access to lifetime support and software updates** created from our customers' suggestions.
- In addition to unlimited advertising, put as many commercials, player highlights, and game film as you want on the scorer's table.
- Sideline Interactive is **TRUSTED** to be the basketball scorer's table for the **College Basketball Experience** at the College Basketball Hall of Fame & the Naismith Basketball Hall of Fame! We also provide the scoring tables for the GEICO High School National Championships as well as the Arkansas boys and girls state high school finals.
